

Falling Down

Muse

I'm falling down
And fifteen thousand people scream
They were all begging for your dream
I'm falling down
Five thousand houses burning down
No-one is gonna save this town

Too late
I already found what I was looking for
You know it wasn't here
No it wasn't here

I was calling your name
But you would never hear me sing
You wouldn't let me begin
So I'm crawling away
'Cause you broke my heart in two
No, I will not forget you

Too late
I already found what I was looking for
You know it wasn't you
No, it wasn't you
Noooooo

Falling away
You would never see me through
No, I could not forget you
Falling down
Five thousand house burning down
No-one is gonna save this town

Too late
I already found what I was looking for
You know it wasn't you
No, it wasn't you
No

Falling down
Now the world is upside down
I'm heading straight for the clouds
