Falling Down

I'm falling down And fifteen thousand people scream They were all begging for your dream I'm falling down Five thousand houses burning down No-one is gonna save this town

Too late I already found what I was looking for You know it wasn't here No it wasn't here

I was calling your name But you would never hear me sing You wouldn't let me begin So I'm crawling away 'Cause you broke my heart in two No, I will not forget you

Too late I already found what I was looking for You know it wasn't you No, it wasn't you Noooooo

Falling away You would never see me through No, I could not forget you Falling down Five thousand house burning down No-one is gonna save this town

Too late I already found what I was looking for You know it wasn't you No, it wasn't you No

Falling down Now the world is upside down I'm heading straight for the clouds
