

Invincible

Muse

1. Follow through
Make your dreams come true
Don't give up the fight
You will be alright
Cause there's no one like you in the universe
2. Don't be afraid
What your mind consumes
You should make a stand
Stand up for what you believe
And tonight we can truly say together we're invincible
- R: During the struggle
They will pull us down
But please, please
Lets use this chance
To turn things around
And tonight
We can truly say
Together we're invincible
3. Do it on your own
It makes no difference to me
What you leave behind
What you choose to be
And whatever they say your souls unbreakable
- R: During the struggle...

Together we're invincible
- R: During the struggle...

Together we're invincible
