

For we are opposed around the world  
By a monolithic and ruthless conspiracy  
That relies primarily on covert means  
For expanding its sphere of influence  
On infiltration instead of invasion  
On subversion instead of elections  
On intimidation instead of free choice  
On guerrillas by night instead of armies by day  
It is a system which has conscripted  
Vast human and material resources  
Into the building of a tightly knit  
Highly efficient machine that combines military, diplomatic  
Intelligence, economic, scientific and political operations  
Its preparations are concealed, not published  
Its mistakes are buried, not headlined  
Its dissenters are silenced, not praised
