

Plug In Baby

Muse

1. I've exposed your lies, baby
The underneath no big surprise
Now it's time for changing
And cleansing everything
To forget your love

R: My plug in baby
Crucifies my enemies
When I'm tired of giving
My plug in baby
In unbroken virgin realities
Is tired of living

2. Don't confuse
Baby you're gonna lose
Your own game
Change me
And replace the envying
To forget your love

R: My plug in baby
Crucifies my enemies
When I'm tired of giving
My plug in baby
In unbroken virgin realities
And tired of living
And I've seen your loving
Mine is gone

And I've been in trouble
