It breaks my heart
to leave you far behind
and it breaks me up
to leave so suddenly
knowing we might never meet again
and it hurts so much to lose another friend

I could hope you're just as sad
to see me go
but I'd hate to be the cause
of grief to someone I like so
Knowing we might never meet again
And it hurts so much to lose another friend.

Well it breaks my heart
It breaks my heart [3x]
It breaks my heart to leave you far behind
So far behind.
