

# Pressure

Muse

I'm trapped and my back is up against the wall  
I see no solution or exit out  
I'm grinding it out, no one can see  
The pressure is growing exponentially  
I'm trying to keep up to speed with you  
Your lane changing is oscillating me  
I'm hitting the ground and I'm sprinting  
I'm falling behind now I'm tuning out

Pressure building  
Pressure building  
Pressure building

Don't push me  
Don't push me  
Let me get off the ground  
To you I'm no longer bound  
Don't stop me, don't choke me  
I need you out of my head  
You've got me close to the edge

I'm feeling the pressure  
I can't break out  
No one can hear me scream and shout  
Get out of my face, out of my mind  
I see your corruption  
I'm not blind  
I'll carry the burden and take the strain  
And when I am done I will make you pay

Pressure building  
Pressure building  
Pressure building

Don't push me  
Don't push me  
Let me get off the ground  
To you I'm no longer bound  
Don't curb me  
Don't thwart me  
I need you out of my head  
You've got me close to the edge

Pressure building

Don't push me  
Don't push me  
Let me get off the ground

Don't stop me  
Don't block me
