

Ruled By Secrecy

Muse

1. Repress and restrain
steal the pressure and the pain
wash the blood off your hands
this time she won't understand

R: Change in the air and they'll
hide everywhere no
one knows who's in control

2. You're working so hard
and never in charge
your death creates success
rebuild and suppress

R: Change in the air...

R: Change in the air...
