

1. Far Away

This ship is taking me far away
Far away from the memories
Of all the people who care if I live or die

2. Starlight

I will be chasing the starlight
Until the end of my life
I don't know if it's worth it any more

Hold you in my arms, I just wanted to
Hold you in my arms

3. My life

You electrify my life
Let's conspire to ig-nite
All the souls that would die just to be alive

I'll never let you go if you promise not to
Fade away, never fade away

Black holes and revela----tions

Hold you in my arms, I just wanted to
Hold you in my arms

4. Far Away

Far away from the memories
