```
I won't stand in your way
let your hatred grow
and she'll scream
and she'll shout
and she'll pray
and she had a name
yeah she had a name
and I won't hold you back
let your anger rise
and we'll fly
and we'll fall
and we'll burn
no one will recall
no one will recall
this is the last time I'll abandon you
and this is the last time I'll forget you
I wish I could
look to the stars
let hope burn in your eyes
and we'll love
and we'll hope
and we'll die
all to no avail
all to no avail
this is the last time I'll abandon you % \left\{ 1,2,...,n\right\} =\left\{ 
and this is the last time I'll forget you
I wish I could
this is the last time I'll abandon you
and this is the last time I'll forget you
I wish I could
