

# The Groove

Muse

So here it is again  
Rape and pillage prooves  
To win the public vote

Someone tell me who will take the prize  
And who takes the fall

So confused when you're lost in the groove  
So confused when you're lost in the groove

And down time comes again  
And her masks are shifting like a chameleon  
Someone tell me why she breaks my fall  
And then breaks my heart

So confused when you're lost in the groove  
So confused when you're lost in the groove

Wow!

So confused when you're lost in the groove  
So confused when you're lost in the groove
