

# The Handler

Muse

You were my oppressor  
And I,  
I have been programmed to obey

Now, you are my handler  
And I,  
I will execute your demands

Leave me alone  
I must dissociate from you

Behold  
My transformation  
And you  
Are empowered to do as you please

My mind  
Was lost in translation  
And my heart  
Has become a cold and impassive machine

Leave me alone  
I must dissociate from you

I won't let you control my feelings any more  
And I will no longer do as I am told  
And I am no longer afraid to walk alone  
Let me go, let me be  
I'm escaping from your grip  
You will never own me again
