

## Unintended

Muse

1. You could be my unintended  
Choice to live my life extended  
You could be the one I'll always love  
You could be the one who listens  
To my deepest inquisitions  
You could be the one I'll always love

R: I'll be there, as soon as I can  
But I'm busy, mending all the  
Pieces of, the life I had before

2. First, there was the one who challenged  
All my dreams and all my balance  
She could never be as good as you  
You could be my unintended  
Choice to live my life extended  
You should be the one I'll always love
