

# Uprising

Muse

1. The paranoia is in bloom, the PR  
The transmissions will resume  
They'll try to push drugs keep us all dumbed down and hope  
that  
We will never see the truth around, so come on

2. Another promise, another scene, another  
A package not to keep us trapped in greed  
With all the green belts wrapped around our minds  
And endless red tape to keep the truth confined, so come on

R: They will not force us  
They will stop degrading us  
They will not control us  
We will be victorious, so come on

3. Interchanging mind control  
Come let the revolution take it's toll if you could  
Flick the switch and open your third eye, you'd see that  
We should never be afraid to die, so come on

4. Rise up and take the power back, it's time that  
The fat cats had a heart attack, you know that  
Their time is coming to an end  
We have to unify and watch our flag ascend, so come on

R: They will not force us...

Hey! Hey!  
Hey! Hey! (3x)

R: They will not force us...
