

Coming Closer

Museum

What can compare to You oh God
To Your loving ways, it's blowing my mind
With every beat of my beating heart
That beats for you, You give me life

Gonna lift, gonna lift, gonna lift my voice
It's rising up, rising up, like a mighty noise

This love inside is running over
Can You hear the joyous sound
Almighty God, we're coming closer
Can You hear us crying out

Whoa oh oh oh
Whoa oh oh oh oh

Because of You, I'm so amazed
I'm taken back by the beauty of a King
With every breath I'm breathing out
I breathe for You, the song I sing

Gonna lift, gonna lift, gonna lift my voice
It's rising up, rising up, like a mighty noise

This love inside is running over
Can You hear the joyous sound
Almighty God, we're coming closer
Can You hear us crying out

Whoa oh oh oh
Whoa oh oh oh oh

We can't contain this song inside
We lift our voice cause You gave us life
The hope we have is building now
And we can't help but sing it out

This love inside is running over
Can You hear the joyous sound
Almighty God, we're coming closer
Can You hear us crying out

Whoa oh oh oh
Whoa oh oh oh oh
