

Came Back

Mushmellow

I have changed
I don't look like you remember me that day
But I came back
I just wanna let you know that really I came back for you

Everything is nothing at all
I just wanna let you know
That we
Change our lives
Never gonna leave this place
Smile on your pretty face
Will change
This world once and for all
Yeah

Hold my hand
We will fly away I'll never let you go
In other world
Until the very end I always be behind you

Everything is nothing at all
I just wanna let you know
That we
Change our lives
Never gonna leave this place
Smile on your pretty face
Will change
This world once and for all
Yeah
