

Ex-Friend

Mushmellow

Look inside
Ask me why?
I'm so sad
Someone probably will die
Someone bad
I hate when people start to lie
Behind my back
Give me reason tell me why?
My sky is black

What have I done to you
Why you lied me
Why you lied me
Why you lied me
Me, me

Hope you learn
This lesson well
Think again
We could be the best as well
But now it's all gone
Hope you gonna miss those days
When we played
This song woun't make any seans
Anyway

What have I done to you
Why you lied me
Why you lied me
Why you lied me
Me, me
