

Hate

Mushmellow

Keep knocking
Keep knocking on my empty heart
I might open
I might unlock and let you drive
Still trying
To face my fear when I'm with you
Feel helpless
Cuz colors of my soul is you

You all you
It's all about you

Yeah
No
It's alright
I hate you and hate what we are
No
It's alright
I hate you and hate what we are
No
It's alright
Yeah

No chances
No chances figure what we are
Some's coming
But take a look how far we are
Make changes
I know that this is all for good
Feel empty
But I do what I want to do

You all you
It's all about you

Yeah
No
It's alright
I hate you and hate what we are
No
It's alright
I hate you and hate what we are
No
It's alright
Yeah
