Conflict – The Argument Goes On

Mushroomhead

Just because you're a saved how does that make me lost? Eyes wide hands tied capsized in flouride 4 out of 5 recommend a gun what if you were wrong the argument goes on and on a fistful of dollars ring around the collar and father n ever knew

he had a son wait for the final setting sun rise for the everla sting

one the oldest form of possession what a waste to spend life on why no war's ever really won the true devil, religion do not confuse

this with condemning having faith, hatred and god fuel the future

master race escape your prisons open up your minds believe there's something besides your way behind the disguise behind y ou disguise
