

In a church by the face
He talks about the people going under

Only child know
A man decides after seventy years
That what he goes there for
Is to unlock the door
While those around him criticize and sleep
And through a fractal on that breaking wall
I see you my friend and touch your face again
Miracles will happen as we trip

But we're never gonna survive unless
We get a little crazy
No we're never gonna survive unless
We are a little
Crazy

Crazy are the people walking through my head
One of them got a gun to shoot the other one
And yet together they were friends at school
Get it, get it, get it, yeah!
If all were there when we first took the pill
Then maybe then maybe then maybe then maybe
Miracles will happen as we speak

But we're never gonna survive unless
We get a little crazy
No we're never gonna survive unless
We are a little
Crazy
No no we'll never survive unless we get a little bit

Crazy are the people walking through my head
One of them got a gun to shoot the other one
And yet together they were friends at school
Get it, get it, get it, yeah!

In a sky full of people only some want to fly
Isn't that crazy
In a world full of people only some want to fly
Isn't that crazy
Crazy
In a heaven of people there's only some want to fly
Ain't that crazy
Oh babe Oh darlin'
In a world full of people there's only some want to fly
Isn't that crazy
Isn't that crazy Isn't that crazy Isn't that crazy

But we're never gonna survive unless we get a little crazy crazy
No we're never gonna to survive unless we are a little crazy
But we're never gonna survive unless we get a little crazy crazy
No we're never gonna to survive unless we are a little crazy
No no never survive unless we get a little bit

And then you see things

The size of which you've never known before
They'll break it
Someday
Only child know
Them things
The size
Of which you've never known before
Someday
