

Dogwash

Mustasch

Bring all your friends, let's come together
The time is right, it's now or never
Go go good boy, with shiny fur
Go go, catch all the pretty girls

Well I'm a dog and I feel dirty
I'm a dog and I feel dirty
I'm so dirty, baby
I'm all dirty and I feel like a dog

Look at me, I'm the saviour
It's time to leave this human behaviour
Go go good boy, you're in the lead
Go go, make all the girls go heel

I'm a dog and I feel dirty
I'm a dog and I feel dirty, I'm so dirty baby
I'm all dirty but I feel like a dog
