

## I Am Not Aggressive

Mustasch

What is it you can't stand?  
The way I'm living or that I'm loud  
You choose the safest trail  
But I don't want to walk that way  
Go care about yourself  
I know I don't deserve your hate

I'm not aggressive  
I just do what I must do!  
I'm not aggressive  
Just because I'm not like you!

You tried to get it out  
But you don't dare to go that wild  
Well, who's the angry now?  
Spread your wings, try and learn to fly

I'm not aggressive...
