

The Dagger

Mustasch

There's no time to check the stars out
I'm already on my way
If you're up to call me psycho
Or if you think I'm out to play

I use The Dagger

I'm a cold heart mother's son
Thinking I'm the only one
I'm a cold heart mother's son
Trying to find my way home

If you'd like to be the hammer
Well that seems to be okay
Now you met a real rambler
Who refuse to be the nail

I use The Dagger

I'm a cold heart mother's son
Trying to find my way home
I'm a cold heart mother's son
And I'm certainly the only one
