

## Odd Soul

Mutemath

I was once a shadow, now I'm on my own  
went through every wall and I've got myself to show  
trials and tribulations seem to always track me down  
now I've been to a sunset, drives another town

Im an odd soul  
yes an odd soul, walk inside rocks  
cause thats the only way I know

I'm an odd soul  
yes an odd soul, walk inside rocks

Watch for who you know, careful what you try  
everywhere I got I still got myself to fight  
and one day if my child ever wonders what is wrong  
I know if I battle I'll win tell him daddy don't belong

Im an odd soul

yes an odd soul, walk inside rocks  
cause thats the only way I know

Im an odd soul,, just trying to find a place called home

(got an odd soul, is that all right  
I see it, ah ah ah ah ah ah, I see it  
ohhh ohhh, ahhhh ahhhh ahhhh  
lalalalalala lalalalalala lalalalalala  
I see it)

Im an odd soul  
yes an odd soul

I see it

Im an odd soul  
yes an odd soul
