```
Fall out, fall through, fall apart
The endless cycle once I start
Plan B, plan C, watch it go
Crumble into broken hopes
All around, I fall apart and can?t you see?
I?m all around, I?m all apart and can?t you see?
I?m all around, I?m all apart and can?t you see?
I?m all around, I?m all apart and can?t you see I?m?
Oh, mend it all, mend it all
Mend it all, mend it all
All I?ve torn, all I?ve run
To the ground, broken down
Come mend it all
Come mend it all
Come mend it all
Days are slipping through my hands
I?m holding on in sinking sand
But to make it worse, I?ve made a mess
Can you make any sense of this?
It's all around, I?m all apart and can?t you see?
I?m all around, I?m all apart and can?t you see?
I?m all around, I?m all apart and can?t you see?
I?m falling down, I?m falling apart and can?t you see I?m?
Mend it all, mend it all
Mend it all, mend it all
All I?ve torn, all I?ve run
To the ground, broken down
Come mend it all
Come mend it all
Come mend it all
Come, yeah can't you come, come, come
Come mend it all, come mend it all
Mend it all, mend it all
Mend it all, mend it all
All I?ve torn, all I?ve run
To the ground, broken down
Come mend it all
Come mend it all
Come mend it all
```

Mend it all, oh mend it all
