

Prytania, you're looking like a loaded gun,  
a loaded gun.  
Prytania, you know you are the baddest one,  
And the one I want.

When you're walking your walk  
And talking your talk  
The blame is on you for stopping my heart  
If I get my way, we'll marry some day  
Who cares what they say?

Prytania, you're looking like a loaded gun,  
a loaded gun.  
Prytania, you know you are the baddest one,  
And the one I want.

The lines that I've said  
The fool that I've been  
May tell me that I'm in over my head  
And no I don't care  
Come on just say yeah  
I'm already there

Prytania, you're looking like a loaded gun,  
a loaded gun.  
Prytania, you know you are the baddest one,  
And the one I want.

There you go, ignore the palm of your hand  
While you don't notice the ones you've got all wrong  
I'm in the ground you're walking on  
Would you try something you never have tried  
It doesn't matter how opposite we are  
I'll be the last to break your heart  
Just keep it in mind

Prytania, you're looking like a loaded gun,  
a loaded gun.  
Prytania, you know you are the baddest one,  
And the one I want.
