

I'll take it slow now  
And be alright, yeah we alright  
Hold yourself together  
'Cuz I lost mine, yeah I lost mine  
But it's alright

(Ooh repeatedly...)

Knee-jerk reactions  
causing trouble, causing trouble  
Got my condition  
in a scuffle, in a scuffle

(Ooh repeatedly...)

I won't concern myself  
any longer, any longer  
On how to recover  
from a stall out, yeah a stall out  
I'll keep singin'...

(Ooh repeatedly...)

I wanna fly tonight  
It's alright  
It's alright  
Follow the open sky  
It's alright  
It's alright

I wanna fly tonight  
It's alright  
It's alright  
Follow the open sky  
It's alright  
It's alright, yeah.

I wanna fly tonight  
It's alright  
It's alright  
Follow the open sky  
It's alright  
It's alright

I wanna fly tonight  
It's alright  
It's alright
