MxPx

You didn't have to be so mean to me  
I guess now I see how it's gonna be  
I'm joining GSF, I've made up my mind  
Forget this thing called love, it's a waste of time  
Girls ain't no good anymore, anyway!  
Not for one second have I understood  
Why they do what they do, why they say what they say  
Always happens to my friends, it always happens to me  
It's taken me 19 years to finally see  
She said "Can we just be friends?  
It's just not working out."  
Another broken heart that I can do without  
Girls ain't no good anymore, anyway!  
Not for one second have I understood  
Why they do what they do, why they say what they say
