```
I can't hold back
I can't relax
I can't let go
I can't say no
Can't take the time
Can't make you mine
Can't know for sure
Can't find the cure
And what does this all mean?
And after all I've seen
I'm gonna prove it to the world
I'm gonna prove it to the world
I'm gonna prove it to the world
So here I go
Can't ascertain
I can't refrain
I can't decline
I won't fall behind
I won't sit down
I won't leave town
I can't deny
And I won't cry
And what does this all mean?
And after all I've seen
I'm gonna prove it to the world
I'm gonna prove it to the world
I'm gonna prove it to the world
```

So here I go
Uh oh oh...
