

## The Opposite of Intellect

MxPx

It seems so hard to get away from last week and yesterday  
I have to sit right here and watch it all go by  
is this really happening? Maybe this is just a dream  
when I wake up ill be someone else  
I don't want to grow up, not just yet  
I don't wanna have to see your false sence of reality  
I don't wanna grow up, not just yet  
I don't wanna have to know how to play in your game show  
just don't ask me if you're getting thru to me  
just don't tell me the way that you want me to be  
you say ill fit nicely in society  
you only took a superficial look at me  
why can't i say I'm sick of you? Is it wrong to say what's true  
?  
I'm skeptical about your point of view  
teaching us not to reflect, the opposite of intellect  
don't resist authority and you'll be fine  
you don't want me to speak my mind.
