

## Thoughts And Ideas

Are you intellectual?  
Do you really think you're in control?  
You know what you believe, illogical,  
you don't perceive what are we doing here?  
Our lives aren't even worth a can of beer  
If the absolute does not exist  
you're just another number on a list  
you refuse to take some one else's thoughts & ideas  
It might point out your mistakes  
then you'll have to change your criteria  
Take the time to reflect  
The status quo before you reject  
the opportunities given to you  
how can there be an issue of morality?  
If there is no absolute, everything is relative
