

What's Mine Is Yours

MxPx

As soon as I figured out that you wouldn't be there
As soon as I figured out that you didn't care
I try to do what's right, I try to keep an open mind
I try to do what's right, but your so unkind

You don't own me
They've abolished slavery
And I can't wait for the day when things
turn around
You don't own me,
They've abolished slavery
There's conciseness for your actions
I know cause I'm paying for mine now

The piece of paper you have says that you
can get into my pocket
But you can't get inside my heart or my mind or
my head
Money doesn't mean to me what it obviously
means to you
Cause I would never steal from kids that dont
have a clue
