

# You Make Me, Me

MxPx

Every night I get down on my knees and pray  
I thank the Lord above for you each day  
I was lost and then I found you  
You make my ocean, you make my sky blue

You make me smile  
You make me sing  
You make me scream  
You make me, everything  
You make me, me

What lesson has the Lord thrown up for me?  
You are the answer to that mystery  
I was lost and then I found you  
You make my ocean, you make my sky blue

You make me smile  
You make me sing  
You make me scream  
You make me, everything  
You make me laugh  
You make me cry  
You make me live  
You make me die  
You make me, me

Height won't separate us from this love  
Depth can't separate us from this love  
Can't separate from this love...

You make me smile  
You make me sing  
You make me scream  
You make me, everything  
You make me laugh  
You make me cry  
You make me live  
You make me die

These days so few seem to have faith  
In the son of man and in his grace  
I feel your breathe upon my face  
As you replace, my broken wings

You make me sing  
You make me scream  
You make me, everything  
You make me, me
