

Runaway

My American Heart

If you could read between the lines
You would know that time's not on our side
Gotta go, the world is moving, moving
Gotta go, the world is moving way too fast

So now what can I say?
Let's focus, let's focus

We can runaway, we can runaway
There's no reason why we should stay
We can runaway, we can runaway
'Coz there's no reason why we should stay

It's time to draw the line
Cross the borders and cross the signs
We live the lives to save ourselves
It's time to draw the lines
Cross the borders and cross the signs
We live our lives to save ourselves

So now what can I say?
Let's focus, let's focus

We can runaway, we can runaway
There's no reason why we should stay
We can runaway, we can runaway
'Coz there's no reason why we should stay

If we get there, we'll be okay
If we get there, we'll be okay

So now what can I say?
Let's focus, let's focus

We can runaway, we can runaway
There's no reason why we should stay
We can runaway, we can runaway
'Coz there's no reason why we should stay
