

## Emptiness Inside

**My Bloody Valentine**

See the emptiness inside  
Bad thoughts I can't ever hide  
Oh, something's gonna be done  
Look out look out

This shit, your stupid deeds done  
Have reasons, yeah I've got some  
Oh, your pain will be my fun  
Look out look out

So, it ends up all the same  
Well I still know your name  
Oh, won't hear no sound  
Look out look out  
I'm coming around
