

Glider

My Bloody Valentine

Wake up
Don't fear
I want to
Love you
Yeah (doll of pain)
I let you get to me
Yeah yeah

Come back
Don't be
Afraid of me
Soon
That (I'll harm you)
Your eyes are blue
Blue jewels
Yeah yeah

Come back
Have faith
Someone like you
Can find the reason
Of what I did to you
Yeah yeah

Wake up
Don't fear
I want to
Love you
Yeah (doll of pain)
I let you get to me
Yeah yeah
