

If I Am

My Bloody Valentine

Hey, one day will rain 'cause I need today or tomorrow
Come over for my mind I better come this once
Hey, I'm falling, stay 'cause I'm on to you where you lay
All about tonight stop, be there if I fall

Da-da-dam-dam-da-ra-ra-dam, du-du-du-du-rum

You are fully lost either if I am
Be my lover, be my lover, be my lover, be my lover
Be my lover, be my lover, be my lover, be my lover
