

Long ago  
Just like the hearse you died to get in again,  
We are so far from you.

1. Burning on, just like a match you start to incinerate  
the lives, of every one you knew.  
And whats the worst to take, from every heart you break.  
like a blade you stain, I've been holding on tonight.

R: Whats the worst thing I can say? Things are better if I stay  
.  
So long and goodnight, so long and goodnight!

2. Came a time, where every star fall brought you to tears again.  
we are the very hurt you sold.  
And whats the worst to take, from every heart you break.  
like a blade you stain, I've been holding on tonight.

R: Whats the worst thing...

And if I carry on this way, thing are better if I stay.  
So long and goodnight, so long and goodnight!

Can you hear me? Are you near me?  
Can we pretend to leave again? And meet again when both our  
cars collide!

R: Whats the worst thing...

And if I carry on this way, thing are better if I stay.  
So long and goodnight, so long and goodnight!
