

# Honey, This Mirror Isn't Big Enough for the Two of Us

## My Chemical Romance

The amount of pills I'm taking, counteracts the booze I'm drinking  
and this vanity I'm breaking, lets me live my life like this  
and well I find it hard to stay, with the words you say  
Oh baby let me in  
Oh baby let me in  
Well I'll choose the life I've taken, never mind the friends I'm making  
and the beauty that I'm faking lets me live my life like this  
And well I find it hard to stay, with the words you say  
Oh baby let me in  
Oh baby let me in

And you can cry all you want to, I don't care how much  
You'll invest yourself in me, we're not working out (we're not working out)  
We're not working out (we're not working out)  
And you can't touch my brother and you can't keep my friends  
and we're not working out, we're not working out  
This time I mean it, never mind the times I've seen it

Well I hope I'm not mistaken by the news I heard from waking  
and it's hard to say I'm shaken, by the choices that I make  
and well I find it hard to stay, with the words you say  
Oh baby let me in  
Oh baby let me in  
Well I'll choose this life I've taken, never mind the friends I'm making  
And I get a little shaken, because I live my life like this  
And well I find it hard to stay, with the words you say  
Oh baby let me in  
Oh baby let me in

And you can cry all you want to, I don't care how much  
You'll invest yourself in me, we're not working out,  
We're not working out  
And you can't keep my brother, and you won't fuck my friends  
and we're not working out, we're not working out  
This time I mean it, never mind the times I've seen it

Never again, never, never again

(and you can cry all you want to, I don't care how much you'll invest yourself in me)  
ne.. never... never... never again  
(and you can cry all you want to, I don't care how much you'll invest yourself in me)  
ne.. never... never... oh baby let me.. oh baby... oh baby  
Oh baby let me in  
Oh baby let me in  
I'm knocking let me in  
Oh baby let me in  
Oh baby let me in  
I'm knocking let me in  
Oh baby let me in  
Oh baby let me in
