

## Look Alive, Sunshine

My Chemical Romance

Look alive, Sunshine  
109 in the sky but the pigs won't quit  
You're here with me: Dr. Death Defying  
I'll be your surgeon, your proctor, your helicopter  
Pumpin' out the slaughtermatic sounds to keep you alive  
A system failure for the masses, empty matter for the master pl  
an  
Louder than God's revolver and twice as shiny

This one's for all of you rock'n'rollers  
All you crash queens and motor babies

Listen up!  
The future is bulletproof!  
The aftermath is secondary!  
It's time to do it now and do it loud!  
Killjoys, make some noise!
