

# Planetary (GO!)

## My Chemical Romance

There might be something outside your window  
But you just never know  
There could be something right past the turnpike gates  
But you'll just never know

If my velocity starts to make you sweat,  
Then just don't let go  
And if their Heaven ain't got a vacancy  
Then we just, then we just, then we just  
Then we just get up and go!

Ladies and gentlemen:  
Truth is now acceptable  
Fame is now injectable  
Process the progress  
This core is critical  
Faith is unavailable  
Lives become incredible  
Now, please understand that,

I can't slow down  
I won't be waiting for you  
I can't stop now  
Because I'm dancing  
This planet's ours to defend  
Ain't got no time to pretend  
Don't fuck around,  
This is our last chance

If my velocity starts to make you sweat  
Then just don't let go  
'Cause the emergency room got no vacancy  
And we just, and we just, and we just  
And we just get up and go!

(Who) they want you to be  
(Who) they wanted to see  
(Go) kill the party with me  
And never go home  
(Who) they want you to be  
(Who) they wanted to see  
Just leave the party with me, and never go home

You're unbelievable  
Ah, so unbelievable  
Ah, you ruin everything  
Oh, you better go home  
I'm unbelievable  
Yeah, I'm undefeatable  
Yeah, let's ruin everything,  
Blast it to the back row

They sell presentable  
Young, and so ingestible  
Sterile and collectible  
Safe, and I can't stand it  
This is a letter my word

Is the berretta  
The sound of my vendetta  
Against the ones who planned it

If my velocity starts to make you sweat  
Then just don't let go  
'Cause the emergency room got no vacancy  
Tell me who do you trust,  
Do you trust  
And we just  
Get up and go!

(Who) they want you to be  
(Who) they wanted to see  
(Go) kill the party with me  
And never go home  
(Who) they want you to be  
(Who) they wanted to see  
Just leave the party with me, and never go home

You keep eternity,  
Give us the radio  
Deploy the battery,  
We're taking back control  
Engage the energy,  
Light up the effigy  
No chance to take it slow,  
By now I'm sure you  
Know, know, know, know, know, know  
(1, 2, 3, go!)  
Get up and go!

(Who) they want you to be  
(Who) they wanted to see  
(Go) kill the party with me  
And never go home  
(Who) they want you to be  
(Who) they wanted to see  
Just leave the party with me, and never go home

Are we still having fun?  
Are you holding the gun?  
Take the money and run  
We'll never go home

I've got nothing to lose  
You've got nothing to say  
And we're leaving today  
We'll never go home

I think I'm gonna go now  
I think I'm gonna go now  
I think I better go now  
Gonna go now, gonna go now, gonna go now, gonna go now  
Go now, gonna go now  
Go home!
