

Teenagers

My Chemical Romance

1. They're gonna clean up your looks
With all the lies and the books
To make a citizen out of you
Because they sleep with a gun
And keep an eye on you, son
So they can watch all the things you do
2. Because the drugs never work
They're gonna give you a smirk
'Cause they got methods of keeping you clean
They're gonna rip up your heads
Your aspirations to shreds
Another cog in the murder machine
- R: They said the teenagers scare
The living shit out of me
They could care less
As long as someone'll bleed
So darken your clothes
Or strike a violent pose
Maybe they'll leave you alone, but not me
3. The boys and girls in the clique
The awful names that they stick
You're never gonna fit in much, kid
But if you're troubled and hurt
What you got under your shirt
We'll make them pay for the things, that they did

R: They said... (2x)

All together now!
