

## Teenagers

### My Chemical Romance

1. They're gonna clean up your looks  
With all the lies and the books  
To make a citizen out of you  
Because they sleep with a gun  
And keep an eye on you, son  
So they can watch all the things you do
  2. Because the drugs never work  
They're gonna give you a smirk  
'Cause they got methods of keeping you clean  
They're gonna rip up your heads  
Your aspirations to shreds  
Another cog in the murder machine
- R: They said the teenagers scare  
The living shit out of me  
They could care less  
As long as someone'll bleed  
So darken your clothes  
Or strike a violent pose  
Maybe they'll leave you alone, but not me
3. The boys and girls in the clique  
The awful names that they stick  
You're never gonna fit in much, kid  
But if you're troubled and hurt  
What you got under your shirt  
We'll make them pay for the things, that they did

R: They said... (2x)

All together now!
