

The World Is Ugly

My Chemical Romance

The world is ugly,
But you're beautiful to me
Are you thinking of me?
Like I'm thinking of you
I would Say I'm sorry

But I really need to go.
I just wanted you to know

That the world is ugly,
But you're beautiful to me.
Are you thinking of me?
Are you thinking of him?

You can say you're sorry
That I think you both should know

I just wanted you to know
That the world is ugly,
But you're beautiful to me.

Are you thinking of me?
Are you thinking of him?

You can say I told you so
If you wanted me to go.

I just wanted you to know.

The world is ugly,
But you're beautiful to me.
Are you thinking of me?

Can we both be ugly?
Are you thinking I'm the one?
We could fight it to the end.
I just wanna hold your hand.

And you're probably just too good.
I just wanted you to know.
