

# Perfect

## My Darkest Days

I was fine right before I met her  
Never hurt and nothing could control me  
You know I tried but I can't regret her  
She's the first, ask anyone who knows me  
Terrified that she'd find my heart and break it  
Paralyzed by the thought of her with someone else

I wish I would've known  
I shouldn't have fallen in love with her  
It's been nothing but trouble till now  
I shouldn't have fallen in love at all  
But I couldn't stop myself  
What gives you the right  
To tear up my life?  
How dare she be so perfect  
What did I do to deserve this? (wooooh)  
(I'll never let her go)  
How dare she be so perfect  
(You started in the fire)

I haven't cried since the day she left me  
Cause that would mean that I admit it's over  
I tell myself that she's tryin' to test me  
She'd never leave, she still needs me to hold her  
Horrorified cause she found my heart and broke it  
Mortified when I picture her with someone else

I wish I would've known  
I shouldn't have fallen in love with her  
It's been nothing but trouble till now  
I shouldn't have fallen in love at all  
But I couldn't stop myself  
What gives you the right  
To tear up my life?  
How dare she be so perfect  
What did I do to deserve this? (wooooh)  
I gotta let her go  
How dare she be so perfect

Tell me why  
You started the fire  
And played me like that (2x)

(4x) Ooooh  
I shouldn't have fallen in love with her  
It's been nothing but trouble till now  
I shouldn't have fallen in love at all  
But I couldn't stop myself  
(I gotta let her go)  
Who gives you the right  
To tear up my life?  
How dare she be so perfect  
What did I do to deserve this? (wooooh)  
(I gotta let her go)  
How dare she be so perfect

Tell me why

You started the fire  
And played me like that (2x)
