

Set It On Fire

My Darkest Days

I wish my girlfriend was more like you
I lose my mind with the way you move
the way you throw your hair around
you got a smile that knocks me down
you don't waste time, you tell the truth

Yeah that's what you do
(when the world)
the world comes crashing down
when you come around
you set it on fire

You take my world and turn it up
turn it up, turn it up
yeah the way you move you burn it up
burn it up
and you set it on fire
[2X]

Let it burn, let it burn
you set it on fire
Let it burn, let it burn
you set it on fire

I wish my girlfriend laughed like you
and got my jokes just like you do
I don't want to give you the run around
I'm holding on to what we've found
you pull me in deeper with the way you move

Yeah that's what you do
(when the)
world comes crashing down
when you come around
You set it on fire

You take my world and turn it up
turn it up, turn it up
yeah the way you move you burn it up
burn it up
and you set it on fire
[2X]

Let it burn, let it burn
you set it on fire
Let it burn, let it burn
you set it on fire

The world comes crashing down
when you come around
you set it on fire
you take my world and turn it up
turn it up, turn it up
yeah the way you move you burn it up
burn it up, you set it on fire
[2X]

(Let it burn, let it burn, you set it on fire) [4X]
