

A Daisy Chain 4 Satan

My Life with the Thrill Kill Kult

"I live for drugs."

"That's great."

"I freaked out very very badly."

"I freaked out on acid."

"That's great."

"I'm the white rabbit."

Here where I sit alone lost

Here I will dream, why

Give me a drink, I need a think now

I gotta rip my stinking brain

"My friends turn me on."

"I could never afford it, I would never buy drugs."

"I live for drugs."

"That's great."

"I'm the white rabbit."

Black boots, highway broads

Dope forever, forever loaded

Black boots

"I freaked out on acid."

"I'm the white rabbit."

Here where I sit alone lost

Here I will dream, why

Give me a drink, I need a think now

I gotta rip my stinking brain

"I freaked out very very badly."

"I freaked out on acid."

"I'm the white rabbit."

"Joan? Joan? Bitch! I'm gonna find her, and I'm gonna kill her!"
