Babylon Drifter

My Life with the Thrill Kill Kult

Too wild to possess, maverick Babylon drifter

In love with a spy and the ultimate weapon She'll pay the price just to make it happen Passion plays through dangerous vision Stayin' alive is just part of the mission

In love with the spy and the Babylon dirfter He'll pay the price just to make it with her Poloroids capture their synthetic moods Chained by desire, he's the vortex of cool

Too wild to possess, maverick Babylon drifter Babylon drifter, maverick Babylon drifter

The methods of mad men hold deadly conviction
The secrets of pleasure fall slave to addiction
A girl needs a gun like a boy needs a girl
But crimes of the heart have no place in their world

In love with a spy and the ultimate weapon She'll pay the price just to make it happen Poloroids capture their synthetic moods Chained by desire, he's the vortex of cool

Stayin' alive is just part of the mission Stayin' alive is just part of the mission
