

# Fangs Of Love

## My Life with the Thrill Kill Kult

Acid angels come to the fangs of love  
Swine brother beware  
Stare deeper blank mirror hating a vacant heart  
You're goin' down

Who has a hold of you  
Touching and molding you?  
Tell us why you? re all to blame  
Acid angels come to the fangs of love

Acid angel, teenage time bomb  
Acid angel, teenage time bomb  
Acid angel, acid angel  
Acid angels come to the fangs of love

Acid angels come to the fangs of love  
Swine brother beware  
Stare deeper blank mirror hating a vacant heart  
You're goin' down

Who has a hold of you  
Touching and molding you?

Playing baby, you belong lost  
Playing baby, playing baby  
When life is dark, breakdown in three parts  
Playing too sweet to die

Who? s got a hold of you?  
Melting, controlling you  
You cry in the streets, riddled with freaks  
Acid angels come to the fangs of love

Swine brother beware, you? re goin' down

You? re goin' down, you? re goin' down  
You? re goin' down, you? re goin' down
