

## Mr. Eleganza

### My Life with the Thrill Kill Kult

Hazy sister sunshine  
Is the scum of the city's heat gettin' to you?  
Sister sunshine  
Mr. Eleganza,  
Has the call of the glitter people clouded your view?  
Chrome leather lover  
Are you bad like the man who's been knockin' ya down?

Mr. Eleganza  
Elevated beyond this electric dazzle

Lexicon limbo  
His heart is seditious, and dagger slick vicious  
He blinds us with kisses

Quicksilver boychild,  
A silent son of the other kind  
Slow motion rider, a prisoner of your master's mind  
Dream devil dancer spills the wine of mind's contempt

Hazy sister sunshine  
Is the scum of the city's heat gettin' to you?  
Sister sunshine  
Mr. Eleganza,  
Has the call of the glitter people clouded your view?  
  
Are you bad like the man who's been knockin' ya down?  
Sister sunshine
